THE WHITE HOUSE

WASHINGTON

INFORMATION

TOP SECRET/SENSITIVE/EYES ONLY

February 26, 1973

MEMORANDUM FOR:

THE PRESIDENT

FROM:

BRENT SCOWCROFT

Dr. Kissinger asked me to inform you that he was having very full and wide-ranging conversations with Mr. Ismail. He said that the discussions were too complex to be able to give their essence in an interim report over the telephone, but he did want you to know that he felt that the talks were basically constructive.
